

The Southern Association of Colleges with Associate Degrees

Mission Statement

The Southern Association of Colleges with Associate Degrees (SACAD) provides a unified professional voice to address regional and national issues that have an impact on policies, procedures and practices related directly to associate degree granting institutions. The SACAD consists of accredited member institutions served by the Southern Association of Colleges and Schools Commission on Colleges who offer more than 50% of their total degrees at the associate degree level. The SACAD provides opportunities for its membership to engage in professional development activities through scholarly publications, activities and events. The SACAD advocates and embraces the mission and goals of the Southern Association of Colleges and Schools Commission on Colleges.
